Benton, IL 62812

Re: Case No. 18-CR-40043-JPG

Dear Clerk of Court:

Kurt F. Johnson, the defendant in the above criminal case has asked me to put this paperwork as evidence into the Court Record.

He also asked me if you could deliver in person a copy of all 3 pages of this paperwork to him at his trial scheduled on September 25, 2018 as he doesn't have copies of this paperwork in his possession which is crucial evidence in his criminal trial to prove his innocence.

Kurt F. Johnson has maintained his sincere belief that he has administrative judgments given in his favor by the World Court in the Netherlands totalling over 20 Billion Dollars. Obviously, if these judgments aren't real, Abu Dabi Bank would never have made a legitimate written offer of 281 million in cash to purchase one of the smaller judgments in his favor. This representation that the judgment(s) are real was given to Kurt F. Johnson mother and also to me by emails sent by Steven Sherak who knows these judgments are real. I am willing to testify and put these representations in an affidavit and swear to this if necessary.

Thank-you in advance for your efforts.

Sincerely,

Byron Gashler

FYI- if Kurt's feelings about me have changed and he and his family and friends want nothing to do with me that's his prerogative. What transpired with the federal government and myself Kurt was unaware. I wish you the best in bankrupting the feds. When and if you get copies of the original judgment there are a few names of others that signed off on the abatement and final judgement and honestly that's the reason you are finding it impossible to get. You do realize that Joan Donahues chamber contacts the original attorney pending any and all questions and your information was relayed through her office. If you would like help just ask Kurt to respond to Nicole's letter. Once I hear his wish is my command. But I have to say I find it irresponsible to feel mad at me after almost getting me out back into prison and being the reason I stayed an extra 8 months. So hope to hear back

Stephen
